EZRA QUILL

Senior Software Engineer · Payments, Ledgers & Calm Architecture

ezra.quill@example.com · Kestrel Bay, Nowhere County · PLACEHOLDER RESUME

EXPERIENCE

Senior Software Engineer
Nov 2025 – Present

Larkspur Labs · Remote

- Owns the payout service end to end across three payment providers.
- Built the nightly reconciliation matcher; manual review fell from two days to an afternoon.

Software Engineer II
Apr 2023 – Oct 2025

Northwind Ledger Co. · Harbourtown

- Designed balance snapshots and FX records so every cent is traceable.
- Took the monthly close report from 40 minutes to 9.

Full Stack Developer
Jan 2021 – Mar 2023

Copperline Studio · Old Quarter

- Delivered seven client web apps in React and Node.
- Built the studio's shared component kit.

Freelance Full Stack Developer
Jun 2019 – Dec 2020

Independent · Remote

- Booking, invoicing and inventory tools for small businesses.

TOOLS

TypeScript · React · Next.js · Node.js · NestJS · Python · PostgreSQL · Redis · Docker · AWS · Terraform
